The excess under item II Travelling allowance is stated to be due to frequent ~~visits~~ journey between Mysore & Bangalore to obtain ~~the~~ Presidents' orders. The Exhibition office is now located ~~in~~ at Mysore. It is a question whether the ~~the~~ Presidents' orders cannot be obtained ~~by~~ through Correspondence. If so, it is doubtful whether the large expenditure shown will be necessary.

The reasons for Savings from which the reappropriation is proposed to be ~~met~~ is also given in the Statement under Column 10.

				This is due to the retention of the services of the Accountant from 1st January 1911 as proposed to Government in my letter No. 1205 dated 22nd/23rd November 1910.
				This is due to the expenditure referred to in G.O. No. R. 5023-4/Agri. 1-10-52 dated 3rd March 1911.
				The excess was unavoidable as the Travelling Allowances of the office Establishment increased owing to frequent journeys from and to mysore in order to obtain President's orders.
				This was due to the provision of additional lights being provided at the time of Exhibition for want of sufficient light.
500	497-7-11		2-8-1	The expenditure could not be incurred as there was very little time to take up works and finish them before the Exhibition opened. Hence the savings.
